Application of SINNAR CARE, INC., )	Case No. AP-93-14
Trading as SINNAR CARE, for a )	
Certificate of Authority -- )	
Irregular Route Operations )	

By application filed March 29, 1993, Sinnar Care, Inc., trading as Sinnar Care (Sinnar or applicant), a Maryland corporation, seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a manufacturer's designed seating capacity of 15 or fewer persons, including the driver.

Notice of this application was served on April 2, 1993, in Order No. 4079, and Sinnar was directed to publish further notice in a newspaper and file an affidavit of publication. Sinnar complied. The application is unopposed.

SUMMARY OF EVIDENCE

Sinnar's application includes information regarding, among other things, its corporate status, equipment, facilities, safety fitness, proposed tariff, finances, and regulatory compliance record.

Sinnar proposes to commence operations using two vans with a seating capacity of 4-7 passengers each. Applicant's proposed tariff contains group charter rates and special operations rates for Medicaid and non-Medicaid transportation.

Applicant's president certifies that it has access to, is familiar with, and will comply with the Compact, the Commission's rules and regulations, and United States Department of Transportation regulations relating to transportation of passengers for hire.

Applicant filed a balance sheet as of March 1, 1993, showing current assets of \$20,000; fixed assets of \$22,200; and equity of \$42,200. Applicant's projected operating statement for the first twelve months of WMATC operations shows WMATC operating income of \$130,000; operating expenses of \$81,962; and net income of \$48,038.

It is certified that neither Sinnar nor any person controlling, controlled by, or under common control with Sinnar has any control relationship with a carrier other than Sinnar.

DISCUSSION AND CONCLUSION

This case is governed by the Compact, Title II, Article XI, Section 7(a), which provides in relevant part that:

. . . the Commission shall issue a certificate to any qualified applicant . . . if it finds that --

(i) the applicant is fit, willing, and able to perform [the] transportation properly, conform to the provisions of this Act, and conform to the rules, regulations, and requirements of the Commission; and  
(ii) that the transportation is consistent with the public interest.

Based on the evidence in this record, the Commission finds Sinnar to be fit, willing, and able to perform the proposed transportation properly and to conform with applicable regulatory requirements. It is further found that the proposed transportation is consistent with the public interest.
